Downsizing and Clearing Clutter (OR HOW TO ORGANIZE YOUR LIFE) WITH SIMPLIFIED SOLUTIONS

Sorting, organizing, discarding and de-cluttering are all important skills to manage and de-stress your day-to-day life. If you find that you live with too many possessions and need to scale down, you are not alone. You can gain mastery over the possessions that are taking over your space, your garage and your life. Organization specialist, Wesley Brown, makes it fun and challenging for you to learn to sort, value and organize belongings so that you can more easily distribute and discard what is no longer needed. It takes great discipline to let go and take the necessary steps to de-clutter, but you can do it! Wesley has developed a specialized system that includes household, lifestyle, wellness and core simplicity. This is suitable for all ages and stages of clutterers and hoarders.

Instructor: Wesley Brown.

LEARN TO MEDITATE: HEARTFULNESS MEDITATION WORKSHOP

Heartfulness is about feeling the lightness and joy of our true nature and experiencing it in our hearts. When we listen to the heart and capture the inspiration that comes from within, we can master our life. This exercise of integrating the heart and mind is done through meditation on the heart. Heartfulness meditation brings long-lasting change in behaviour and attitudes. It is simple, easy and effective, and can be done every day in the comfort of your own home. The heartfulness technique shows us how to gently turn our attention towards our heart and experience that inner presence for ourselves. **The fee for this course is administration and copying**, as the Heartfulness meditation is free of charge.

DIGITAL PHOTOGRAPHY DSLR AND CSC CAMERAS

This course is designed to provide a firm foundation in photography to the student who is interested in learning both about using their digital SLR / CSC camera and how to take better photographs. A hands on approach is used in this 20 hour, 8 week course to teach the student about the major features of their camera and about lens and flash variations and use. Technique and application are emphasized to help develop a concrete practical understanding. Expect to learn about depth of field, shutter speed, aperture and shutter priority, fill flash, white balance, ISO, and many more pivotal photography concepts. Assignments are given and a book written by the instructor is included. Students must bring a DSLR or CSC camera to class; bringing the camera's manual is suggested.

Photography is a passion for him; especially wildlife, macro, landscape, and event photography. His experience and patience will help the student improve their skills and develop a deeper understanding of the subject. Eric Svendsen Photography: www.ericpix.com esvendsen@shaw.ca

**FINDING YOUR FAMILY TREE:
AN INTRODUCTION TO GENEALOGY**

This is a beginner's guide to working on your family tree, and learning about the study of genealogy, which is the longer term and in-depth study of family history. The course will show course participants how to start with themselves and work backwards to find their ancestors, describe the major genealogy sites, both those that are free and those that involve subscriptions, and then provide an overview of putting it all together. The last session will explore local resources, major locations in each Province and North America, and then talk about genealogical visits to countries of origin, and how to plan and where to look for information. For the most part the course will rely on Canadian and English material, but the techniques will be presented as a generic package of tools for individuals to explore their history in other countries as well.

20022 Sa Sep 24 9:00 am-4:00 pm
20023 Sa Nov 26 9:00 am-4:00 pm

\$79/1 session

Instructor: Rob Whitlock, B.Arch, PLCGS (Prof. Learning Certificate in Genealogical Studies). Rob has researched his own family tree since 1999, and has visited both England and Utah resource centres. Rob

recently completed the 40-course certificate program through the National Institute of Genealogical Studies, specializing in English and Canadian collections, with recognition in Methodology.

Rob is also President of the of the BC Genealogical Society.

THE ART OF EFFECTIVE CONVERSATION

Do you find it easy to resolve conflict? Can you effectively “Get to Yes” in almost every situation? Can you interact comfortably with peers, teachers, managers, customers or friends in our multicultural society? If you said NO to any of these then “**The Art of Effective Conversation**” is for you. We will help you learn the necessary skills required to have effective conversations by understanding the 3 Key Factors needed to end up in a win/win situation. You will learn how an effective conversation can build rapport, mutual trust and grow relationships whether in business or personal lives. You will be able to identify when a situation you are in is escalating and by using proper communication skills taught in this course, strategically de-escalate it. Come and learn the soft skills required to make any conversation a comfortable one whether an interview, sales pitch or just a conversation with a friend, partner or parent. With today’s technology, email, social media and texting, the Art of Conversation has become a lost art. People take it for granted and forget that Conversation is an Art, so let’s draw your friends and colleagues into one, not erase you from their memory. To see how we can help, **Let’s Talk Communication. Instructor: Marc Fisher.**

COMMUNICATING IN CONFLICT: HOW TO LISTEN WHEN OTHERS SPEAK AND SPEAK SO OTHERS CAN HEAR

Conflict is inevitable. Each of us brings our own wants, needs, and expectations to every relationship. Conflicts may be minor occurrences that we accept as part of life, or they may be so serious that they do irreparable damage to individuals, families, and entire communities.

Understanding the dynamics of conflict is a valuable skill that can help improve our quality of life and relationships, both personally and professionally. The goal of this two session course is to learn more about the dynamics of conflict, understand your conflict style, and develop effective tools and useful strategies for solving interpersonal conflicts well.

This material is suitable for both personal and professional development.

20044 T Nov 1-8 7:00-9:00 pm

\$49/2 sessions

Lesley Harder is a certified mediator through the Justice Institute of BC, and a strong advocate of resolving conflict well. She completed her M.A. in Conflict Analysis and Management at Royal Roads University and currently facilitates anger and conflict classes at the Downtown Community Courts, as well as coaching and training in the field of communication and conflict resolution. She has been teaching and training for over 20 years.

Mike Shebib has worked in construction, manufacturing and is currently a Project Manager and vice president of a hospital transition company. He completed his M.A. in Conflict Analysis and Management and utilizes his training with every hospital move. Mike's focus is in the practical applications of conflict management skills in the workplace.
